**DUBLIN, OH** - Capital Area Safety Council and the Safety Council of Greater Columbus, in a joint venture, present the 2007 Safety Day Wednesday May 2 at the Aladdin Shrine Temple in Columbus, Ohio. Brian Waterhouse of CCI Benefit Solutions Inc., will be there discussing the topic “Address “Risky” Employees Through A Company Sponsored Wellness Program”. CCI has developed an approach to improving health, and ultimately the productivity of a workplace, and will be there to offer guidance on how to implement these solutions. Registration, networking, and breakfast begin at 7am.

CCI Benefit Solutions is an employee benefits planning firm located in Dublin, Ohio representing over 500 employees in Central Ohio. CCI specializes in health insurance, retirement plans, and wellness strategies for the small to mid-sized businesses.
