Local Chamber Member Saves \$10,000 on Health Insurance Premiums!

Puppy Paradise, a “doggie daycare” and boarding service needed to find a solution to the rising cost of their group health insurance. John and Cindy Adkins, a husband and wife duo from Chillicothe were shocked when their agent told them that \$1,500 per month was the lowest price for their two-person small business.

Then, the Adkins contacted Josh Kinzel of CCI Benefit Solutions who suggested an individual insurance plan. Josh quoted John and Cindy with an individual plan that was similar to their group coverage they had at Puppy Paradise.

After a simple application process, John and Cindy Adkins secured individual policies and reduced their monthly premiums from \$1500 to \$655 – an annual savings of over \$10,000!

“This trend is becoming popular, especially with businesses with less than 5 employees,” said Scott Miller, President of CCI Benefit Solutions. “Small businesses are finding individual plans are a great way to maintain benefits while reducing costs.”
